PROFESSIONAL SUMMARY

Motivated Python developer and fresher ECE graduate with hands-on experience in data analytics and IoT-based project development. Proficient in Python programming including OOP, file handling, and exception handling, with working knowledge of Pandas and NumPy for data analysis. Completed a 3-month data analytics internship analyzing 10,000+ records and building Power BI dashboards. Eager to contribute to a Python developer role and grow in a professional environment.

TECHNICAL SKILLS

Programming	Python (OOP, Functions, File Handling, Exception Handling), Pandas, NumPy
Frontend	HTML, CSS, JavaScript
Database	SQL, MySQL
Tools	Power BI, Microsoft Excel

EXPERIENCE

Data Analytics Intern	Jan 2025 – Apr 2025
Uptoskills · Work from Home	
- Collected and analyzed datasets of 10,000+ records from UG, PG, ITI, and Diploma institutions using Python and Excel. - Performed data preprocessing and cleaning using Pandas, improving data quality by 25% for downstream analytics. - Designed interactive Power BI dashboards to visualize KPIs, used by 10+ stakeholders for data-driven decisions. - Delivered findings to senior management, contributing to a 10% improvement in student enrollment.	

PROJECTS

Smart Blind Stick Using Arduino

Arduino Uno · Ultrasonic Sensors · Buzzer · Vibration Motor

Developed an assistive device using ultrasonic sensors to detect obstacles within a 3-metre range and alert users via buzzer and vibration, improving navigation safety for visually impaired individuals.

Smart Irrigation System for Precision Farming

Raspberry Pi · Soil Moisture Sensors · DHT11 Temperature Sensor

Built an IoT-based irrigation system that optimises water usage in agriculture, reducing consumption by 15% while maintaining optimal soil moisture based on real-time environmental data.

EDUCATION

B.E. in Electronics and Communication Engineering	2021 – 2025
Presidency University, Bangalore · CGPA: 6.49	
Pre-University (PCMB)	2021
Sri Vidyaniketan PU College, Gangavathi · 74%	
High School, State Board	2019
Little Hearts School · 77%	

CERTIFICATIONS & ACHIEVEMENTS

- Basics of Python — Infosys Springboard (Nov 2025)
- Certification of Appreciation — Data Analytics Intern, Uptoskills (2025); Big Data, Excel, Power BI
- Python Essentials 1 (Verified Digital Badge) — Cisco Networking Academy (2026)
